Re: Ground Water Permit No. G4-29036P

Dear Mr. DeFord:

On September 15, 2013, the Department of Ecology (Ecology) received your request for an extension in the *Proof of Appropriation* stage. On December 2, 2013, you provided supplemental information so Ecology could assess whether due diligence has been shown or not.

In response to your original request, you are hereby granted an extension to put the water to full beneficial use for the reason(s) below:

- Slow, but steady annual progress of home additions may be shown.
- 17 lots remain to be developed.

The new deadline to submit your *Proof of Appropriation of Water* is September 1, 2016.
